

WALKER **TechFit**SM

As easy as 1... 2... 3!

Walker® Commercial Vehicle Tech-FitSM utilizes on-hand inventory pipes and parts as a fast, easy alternative to waiting for a non-stocking direct-fit part

Simple comme bonjour!

Le programme Tech-FitSM de Walker® pour véhicules commerciaux utilise des tuyaux et autres pièces à votre disposition comme alternative rapide et facile aux pièces à montage direct qui ne sont pas en stock

¡Tan fácil como 1... 2... 3!

Walker® Commercial Vehicle Tech-FitSM utiliza tubos y piezas disponibles en existencias como una alternativa rápida y fácil a esperar por una pieza de ajuste directo que no esté en existencias

Here's How It Works:

The Tech-Fit Master Catalog identifies existing Walker Commercial Vehicle pipes and parts... to create a fast, easy replacement alternative

Comment ça fonctionne?

Le catalogue Tech-Fit identifie des tuyaux et pièces Walker pour véhicules commerciaux qui serviront à créer une alternative de remplacement rapide et facile à réaliser

Así es como funciona:

El catálogo Tech-Fit Master identifica los tubos y piezas Walker existentes para vehículos comerciales... con el fin de crear una alternativa de repuesto rápida y fácil
